EZ-LITE DOUBLE PITCH

EZ-LITE PYRAMID

Acurlite EZ-Lite skylights were designed for commercial applications looking to illuminate a room economically and efficiently. Our EZ-Lite skylight system ships from the factory completely assembled and pre-glazed, ready to install on a pre-engineered curb by others with a five-year limited warranty. This clean and cost efficient system gives a contractor or glazing contractor a superior skylight that's **EZ** to install.
